

CHINAMEN IN TOWN TO HAVE READING ROOM

Have Collected Fund Among
Themselves to Buy Books
and Papers—Now Looking
for Suitable Quarters.

There are now a number of Chinamen in town working in the different industries and as they no doubt find it hard to secure amusement and recreation during their leisure hours, they have decided to organize and provide themselves with a public library and reading room.

This movement was started by Hugh Cheng, a Chinese lad who about 15 years of age who has been attending our public school here for the past two years. Hugh speaks good English and informs us that they have raised over \$200.00 of this amount they have spent in buying books and books, some for subscriptions to papers and the balance is to be used for fitting up rooms.

The question of securing suitable permanent quarters is now the only obstacle in the way but for the present they expect to fit up some of the building on the corner of Broadway and Main now occupied by one of their countrymen. They had expected to be able to open up next Sunday and had made arrangements to have Chinese speakers from Leithridge and Medicine Hat to assist in the opening ceremony. At present they are not sure whether or not they will be able to carry out their plans on any schedule.

In discussing the proposition with the Review one of the boys told us his friends were anxious to do as best they could in this country and were adopting this means of providing amusement with the hope of discouraging other less commendable amusements.

Since the above was set up the committee in charge of arrangements has secured the building opposite the Redcliff hotel, previously occupied by Jackson & Hughes, and they expect to have it in shape for opening up on Sunday as arranged.

Stranger Thinks He Is in Medicine Hat

A man and his wife motored into town from Calgary last Tuesday evening from the west route, and after putting their car away in one of the local garages, started out to get something to eat. They enquired of one of our citizens where to go and the citizen volunteered to take them to a restaurant. On the way the following conversation took place:

Stranger—Well, Medicine Hat has grown considerably since I saw it two years ago.

Citizen—Yes, I guess it has.

Stranger—It is bigger now than I have ever seen it.

Citizen—Yes, I believe so.

Stranger—They appear to have a great many industries in operation now and I am told by the garage man that most of them are running right and day.

Citizen—I don't know, I haven't been in Medicine Hat for two or three months now.

Stranger—What? Isn't this Medicine Hat?

Citizen—No, this is Redcliff. Here's the restaurant we're looking for. Good night.

Hun Agent Secure Rubber in Canada

Operation in Canada of German commercial agents who are securing rubber to Germany via Holland was referred to by Clarence de Sola, Belgian consul, in the news presented by the House of Commons on the 10th inst. de Sola issued through the Montreal press to Canadian.

Mr. de Sola said that German agents had been playing a clever game, misleading andian exporters, especially exporters of rubber. The plot had been to take them to a rubber plantation in the Congo and to have them sign a contract to supply rubber to Germany.

Mr. de Sola declared to be more specific in his statements, but reminded his hearers that they were laying themselves open to heavy penalties even though they were innocent as he was partly to a scheme to send war material to Germany.

Rebekah Members Entertain Friends

The members of the Rebekah lodge entertained their friends to a social evening in their lodge room in the city last Monday evening. The guests were present from 6 o'clock, which allowed the lodge to complete the work of its regular meeting. Shortly after 8 o'clock the guests were served with refreshments. The evening was very enjoyable and the guests were very much pleased with the entertainment. The lodge is very active and is doing a great deal of good work.

There was a great deal of singing and dancing and the guests were very much entertained. The lodge is very active and is doing a great deal of good work.

Roosevelt Gets After So-called Pacifists

The loudest so-called "pacifists" in this country today are the paid or unpaid agents of the German government, Theodore Roosevelt has declared. He said that the "pacifists" were the worst enemies of the country and that they were doing a great deal of harm to the country.

Five Air Raids In Seven Days

Up till Sunday night last there had been five air raids over England in seven days. As far as available data showed they accomplished nothing. The most important of the raids was the one on the 1st inst. when a large number of bombs were dropped on the city of London.

The British naval air patrols destroyed two enemy machines and brought down one. An official announcement. A Gotha also was brought down and is believed to have been damaged. All British machines are safe.

Five persons were killed and 41 injured in Sunday's air raid. It was announced officially. The official statement announces the bringing down of one hostile machine over Dover.

Want Expulsion Of U. S. Senators

Petitions from New York organizations asking expulsion from the United States of Senators who are pro-Germans, were presented to the House of Representatives on the 10th inst. The petitions were signed by a large number of people and were very much to the point.

The first step towards official consideration of the petitions was taken when Senator Patterson of Ohio, chairman of privileges and elections committee, called a meeting for next Wednesday.

Rally Day at Presbyterian S.S.

The rally of the Presbyterian Sunday school, held last Sunday, was well attended and inspiring. A goodly number of the 56 babies on the Grade Roll were present and were the best behaved babies that ever came to church. Appropriate recitations were rendered in clear and effective style by adults and children stories were related by some of the teachers. The singing was hearty and joined in by the large congregation. Although the teaching staff has been subjected to many changes because of removals from town, it has always been efficient. The officers of the school at present are:

Superintendent—Mr. Alex. Barrett.
Secretary—Miss Mary Dunlop.
Treasurer—Mrs. D. C. Smith.
Teachers—Mrs. E. Argue, Mrs. Gordon, Mrs. Burnett, Mrs. D. C. Smith, Miss Martha, Huchra, Mrs. Sellhorn, Mr. and Mrs. L. G. Rose, and Mr. T. O. W. Fowler.

Don't Monkey With The Medical Board

Penalties additional to those imposed by the criminal code are to be levied on youths who are found guilty of attempting to improperly influence any medical board or examining tribunal appointed under the Military Service Act. An order of the council to this effect will shortly be published.

In respect to the voluntary medical examinations now in progress, it is pointed out that if a man feels he has been placed in this proper medical category he can take his case to the local tribunal. Unnecessary application for exemption will be strongly discouraged. But the local tribunals have been created that both sides of the case may be heard. The regulations governing local tribunals are not intended at the time the proclamation call for the first-class of men is put forward. Second Liberty Loan Opened in United States

The second Liberty Loan campaign in the United States opened last Monday morning.

For four weeks the entire nation will be a recruiting ground for money with which to carry on the war. To obtain \$3,000,000,000 in subscriptions, the minimum set by treasury officials for the loan, a giant machine of many parts stands ready to be set in motion with the opening of the campaign. Fifty per cent greater than the first Liberty Loan, the present offering is the largest the American people ever have been called upon to absorb.

Five billion dollars and 10,000,000 subscribers—that is the goal to which officials hope to drive the campaign successfully during the next four weeks.

Rumored That Laurier Resigns Leadership

A report comes from Ottawa to the effect that Sir Wilfrid Laurier has resigned the leadership of the Liberal party of Canada and that a new leader will be selected by a convention to be held in the near future. Following closely on this report comes another one stating that it is not so. An eastern daily, however, which claims to have reliable inside information, states positively that Laurier has handed in his resignation and insists on its acceptance. The reason given for his retirement is ill health, and consequently his inability to bear the rigor of a winter campaign.

Will Continue Making Shells Here

The imperial munitions board, which has been a source of industrial prosperity, is not going out of business. When on the crest of the wave the expenditure amounted to fifty million a month. Conservative policy has caused a reduction to the basis of thirty million a month. It will likely continue on that basis all the winter, ensuring a sustained output and the extensive employment that goes with it.

Work Resumed on Baptist Church

Work is again being resumed on the building of the new Baptist church here. Lumber is now on hand to go ahead with the siding of the outside of the building and plasterers will start on the inside just as soon as men and material can be secured. These are now arranged for and it is expected they will be at work early next week. The building has been connected up with gas and stoves and furnace have been installed.

It is expected the church will be completed and ready to occupy four weeks from Sunday next.

Another Rex Beach Film at the Empress

As a picture, "The Ne'er Do Well" follows faithfully the swift, exciting action of the book, and is full of the fundamental elements of life. The characters, which are composed of the cast which made "The Spoilers" famous, are true to unusual but vigorous and convincing types. The sustained and unrelaxing grip of the picture is remarkably tense situations follow one another without stopping an instant; every casual incident seems a climax in itself; yet the whole feature moves steadily and smoothly forward to a logical and beautiful end.

"The Ne'er Do Well" will be shown at the Empress theatre here on Thursday, Oct. 11.

Medical Board to Sit in Medicine Hat

The Medicine Hat News says: "A travelling medical board composed of Capt. Bayfield, Capt. Learmonth and Capt. Macdonald, will be in Medicine Hat on Friday of this week for the purpose of examining men under the Military Service Act. While men are not compelled to undergo examination until the proclamation is issued for going before the board now and taking the test, they are enabled to learn their status under the act and to know whether or not they will be called. After visiting the Hat the board will go to Leithridge and Medicine Hat, and then to Red Deer."

General News Notes From Various Points

An American destroyer in European waters recently, was in collision with a British naval vessel which was on the American crew, towed the disabled destroyer safely to port.

News of the sinking of the unarmed American schooner, Henry Lipsett, in the war zone, reached the state department last Saturday in a consular report. The crew was saved.

The German cities of Frankfurt-on-the-Main, Stuttgart, Treves and Cologne were bombarded by French aviators in retaliation for German aerial attacks on French cities.

A recent proclamation in the official London Gazette prohibiting the exportation to Holland and Scandinavian countries of all articles except printed matter and personal effects, has caused the greatest excitement in newspaper offices in Britain.

From an authoritative source it is learned that the reply of the German government to Argentina's demand for an explanation of the Canadian action in sending secret code message to Berlin through the Swedish legation has been received. It is indicated that the reply is unfavorable.

A report from Washington says: The regular of Germany and Austria to Pope Benedict's peace proposal states that the peace in any way alienates the United States. The United States as outlined in President Wilson's reply to the Pope.

Pope's seizure of German ships at Callao and the expulsion of Count von Luxburg, the German minister to Argentina, from Buenos Aires, are again occupying public attention in Chile. It is believed in government circles that the presence of Count von Luxburg in Chile or in any other South American country, would affect the solidarity of the republic in the western hemisphere.

Annual Meeting of Red Cross, Tuesday

All interested in the Red Cross society here should be on hand at the Provincial Hotel, Tuesday afternoon, Oct. 9th, at 4 o'clock.

At this meeting the work done for the year will be reviewed and a financial statement for the twelve months will be presented. The society's efforts for the ensuing year will be discussed. In this connection we are asked to remind our readers that all who have paid \$2.00 to the society during the year, either in a lump sum or by monthly donations, are entitled to vote in all questions coming before the meeting. This is in accordance with the Red Cross constitution.

All interested, whether they have a vote or not, are requested to attend the meeting.

Look Like \$1000.00 For French Fund

According to latest returns coming in from all quarters the result of the appeal for the French Emergency Fund will be much larger than was estimated last week.

The different plans in town are making an exceptionally good showing and the farmers of the district are responding liberally to the call.

At the present time the total far exceeds the amount estimated last week and the committee in charge now figure that Redcliff and district will raise at least one thousand dollars for this fund.

This is a most gratifying contribution and we have reason to feel proud of our citizens.

British Premier Promises Reprisals

A crowd of poor people in the south-west district of London appealed to Premier Lloyd George, says the Daily Mail, for reprisals against Germany for air raids on London. The premier assured the crowd.

"We will give all back to them and we will give it to them soon. We shall bomb Germany with compound interest," he said.

The crowd cheered the promise of the premier loudly. The premier had come to the aid of the crowd, who were damaged in the raid, with Viscount French, the commander of home defenses.

Average 31 Bushels On 1,280 Acres

Threshing in C. S. Noble's 1,280 acre field at Nobleford, has been completed and produced an average of 31 bushels, 46 lb. to the acre. A 600-acre field of standard average 30 bushels and another 160-acre field of medium fallow produced 23 bushels per acre.

PREPARE FOR PEACE. LOSSES THE SMALLEST YET.

Great Britain's loss in merchant vessels through attacks by submarines was by far the smallest since last week was the lowest since Germany started her intensified submarine warfare in February. Only thirteen merchantmen met with disaster last week, as against fifteen the week before, which was the previous low record.

HAIG RESUMES DRIVE

Field Marshal Haig has begun a new offensive east of Ypres. The official statement from the British headquarters in France issued today, says that the British attacked at 6 o'clock this morning on a wide front and are making satisfactory progress. A number of prisoners already have been taken.

The Dominion Parliament is dissolved on Saturday. Before dissolving Hugh Guthrie, Liberal, was sworn in as solicitor-general.

FIRST CLASS CALLED UP

OCTOBER 13

Proclamation "To This Effect
Will be Issued on That Date
Effects all Unmarried
Between Ages of 20 & 34

The first class of recruits under the Military Service Act will be called up on Saturday, October 13th. A proclamation to this effect will be issued on that date notifying men in Class 1 that within a specified time they are either to report for training or to file a claim for a exemption. Class 1 comprises:

Those who have attained the age of 20 years, and were born not earlier than the year 1883, and are unmarried, or are widowers but have no children.

With the proclamation calling up the men will also be published regulations by which tribunals may hear applications for exemptions will be governed.

Liberals Turn Down Dr. Clark of Red Deer

The Liberals at Red Deer at the convention held last Saturday accepted the resignation of Dr. Clark, who declined to stand for re-nomination on a non-partisan platform.

They nominated as their candidate William Franklin Puffer, of Lacombe, who was defeated at the recent provincial election. Other nominees were made, but all retired. They endorsed the resolutions passed at the Winnipeg convention without change, adding a special word of praise for the work done by Frank O'Connor.

Dr. Clark did not. Frank O'Connor were present at the meeting. It was not a stormy meeting, and though anti-Unionist Liberals were in the majority, a large number were sympathetic with Dr. Clark and would have supported him and perhaps have elected him had he stood. This was shown when Mr. Galbraith, president of the federal organization, because of the action of the convention declined longer to act in that capacity.

No Peace With Assassins Says France

A new organization formed in France called the "Republican League National Defense" is causing wide-spread comment in the press.

The keynote of the league appears to be "No peace with assassins before our victory and their extermination" and the direct object of the organization is to fight against all tendencies toward a rupture and incoherence between the French and the Allies.

Start Made in National Government

C. C. Ballantyne, of Montreal, has accepted the portfolio of minister of public works and was sworn in yesterday.

The Hon. C. C. Ballantyne, the new minister of public works, has always been a strong proponent of the Liberal party. He is head of the Sherrin-Williams Paint Company, and a director of The Canadian Cement Company. During the regime of the Laurier government he was a member of the Montreal Harbor commission.

Alberta's Population Shows Big Increase

The preliminary statement of the statistics of the population and agriculture on Alberta as shown by the census taken on June 1st, 1916, is contained in a bulletin issued by the census branch. The population of the province on that date numbered 496,626, compared with 374,648 in 1911 and 185,412 in 1906. For five years, 1911-1916, the population increased 121,862 or more than 32.5 per cent.

IF I KNEW YOU AND YOU KNEW ME

By Jean C. Gregory.
If I knew you and you knew me—
If both of us could clearly see,
And with an inner sight divine
The meaning of your heart and mine,
I'm sure that we would differ less
And clear our hands in friendship's stress.
Our thoughts would pleasantly agree
If I knew you and you knew me.

If I knew you and you knew me,
As each one knows his own self, we
Could look each other in the face
And see therein a better grace.
Life has so many hidden woes,
So many thorns for every rose;
The "why" of things our hearts would see,
If I knew you and you knew me.

THANKSGIVING DAY.

Next Monday will be observed as Thanksgiving Day throughout the Dominion of Canada. In our many years of newspaper work we have been called upon on several occasions to review unnumbered reasons why our people should have just cause to enter heartily into the spirit of the Thanksgiving service. And on this occasion, even though the greatest and bloodiest war in the history of the world is at its meridian height; though the heavy clouds of suffering, sorrow, anguish and depression darken the mental vision in every direction, there is still much for which to be thankful if only we look in the right direction. What direction that is depends largely on our individual selves. Even the old man who had only two teeth was thankful that they both met and enabled him to chew his crust of bread.

IT LOOKS DISCOURAGING.

To those in Canada who have not been blinded by party affiliations, it has been very easy to see that there is a growing feeling of unrest and dissatisfaction among the people as a whole in things political. In the language of the street, they are about "fed up" on politics. They are sick and tired of the voting machine type of men sent to Ottawa and our provincial capitals. "God give us men" was never more the sentiment of the people as a whole than it is today.

When thinking people know this to be the case the deal pulled off at the Red Deer convention last week may, at first thought, appear a little discouraging and disappointing. On that occasion party leaders and their henchmen turned down Dr. Michael Clark, a man who has won his way into the hearts of the Canadian people because he had a mind of his own and because he had the courage of his convictions, and in his stead chose as their standard bearer a man of the "voting machine" type.

However, things are not so bad as they at first look. Let us not be too hasty in judging all the people of Red Deer constituency by this convention. This is just the dying kick of the party bosses who for the moment have control of the wires and riding them to a fall. A Win-the-War party has been organized by Liberals and Conservatives in Red Deer and there is no doubt that Dr. Clark will be their candidate. If it is not, at least most any other constituency in Canada would consider it an honor to have him as their representative.

UNNECESSARY TEARS.

In its issue of last Monday the Medicine Hat News finds fault with the war-time election act because Bohemians who have enlisted with the Canadian army are to be disfranchised by the act. If this News is not conversant with the act or it is difficultly trying to mislead its readers, if it were conversant with the act it would know that anyone wearing the Canadian uniform, even the hitherto disfranchised Indians, the nurses, and those under ordinary voting age, are to have a vote. And further, it would know that the relatives of those in khaki are also to have a vote—Bohemians included.

If the News had only taken the trouble to read over the act it might have saved itself the anguish? and heart aches? which the shedding of those crocodile tears on behalf of the poor Bohemians must have caused it.

THE FIRST CALL.

The time is now drawing near for the putting into effect of the recently passed Military Service Act. The conditions of this bill are fully outlined in an advertisement by the Department of Justice which appears in this issue.

This bill is now law and the man who tries to dodge it by splitting hairs is only making trouble for himself later on. It is necessary for all men who came under the qualification, for the first call to report, and then claim exemption if they feel they are justified. It is material what occupation the drafted man may follow, as the tribunals are established for the purpose of deciding on the question of exemption.

The man who deliberately neglects to comply with the Act, will forfeit any right to exemption. He will also lose the chance that he has even if not exempt, of being one of those whose services may not be required because the whole 100,000 men authorized by the law have been provided without his being called upon.

Therefore it should be the direct personal interest of every man to comply with the act, the letter and report as required, then afterwards make claim for exemption if he thinks he has grounds for doing so.

Occasionally we hear people talking disparagingly about the Canadians in town who are now becoming so numerous owing to the difficulty in securing other help for the different industries. To give them their dues they are in some respects setting an example which others might well emulate. Their success in providing themselves with a library and reading room, for instance.

The recipes for Apple Tapioca Pudding, Escalloped Potatoes and Bran Gems, mentioned above, are as follows:—

(Wheat and meat saving recipes by Domestic Science Experts of the Canadian Food Controller's Office.)
Apple Tapioca Pudding—
½ cup pearl or ¼ cup minute tapioca.
Cold water,
2½ cups boiling water.
½ teaspoon salt.
4 sour apples.

Soak the tapioca an hour, and cook it in a double boiler. Pare and slice the apples and arrange in a buttered pudding dish. Add the sugar, pour over the tapioca, and bake in a moderate oven until the apples are soft. Serve with sugar and cream. Minute tapioca requires no soaking.

Escalloped Potatoes—
Butter a baking dish well. Put in a layer of potatoes, sliced thinly. Sprinkle with salt and pepper, and dredge with flour. Repeat. Add milk until it may be seen through the top layer. A little of better. Bake in the oven until the potato is soft.

Bran Gems—
1½ cup of flour.
½ cup of bran.
1 cup sour milk.
1-3 cup molasses.
½ teaspoon soda.
1 teaspoon salt.
2 tablespoons melted dripping.

Mix and sift dry ingredients; add milk to molasses and combine mixtures; then add butter.

Lake Boats for Overseas Service
In order to meet the great demand for seamen to handle the traffic between Canada, the United States and British and European ports, the department of marine and fisheries is collaborating with the United States shipping board in transferring boats formerly plying on the Great Lakes to the overseas route.

A representative of the United States shipping board was in conference with the officials of the department when arrangements were made for the transfer of a number of United States steamers now on the Great Lakes to the Atlantic service.

These vessels, when too large to pass through the canals, will be cut in two. Some will be docked at the Canadian Vickers plant at Montreal, and others at the marine repair shipyard at Sorel, where they will be put together again for the trip around to the Atlantic port. The marine department has for a considerable time been making arrangements whereby a number of boats of the Great Lakes will be put on the Atlantic coast before the close of lake navigation.

ITEMS OF LOCAL INTEREST

Mrs. Sellon, of Alderson, spent last week-end in town, the guests of Miss Fairbairn.

T. A. Hicks spent a few days in Calgary and Glenora this week on business.

Remember the Red Cross annual meeting in Crowe's hall next Tuesday afternoon at 4 o'clock.

J. Jardine has filed on a homestead and pre-emption about thirty miles north of here and intends going onto it in the spring.

Mr. and Mrs. H. E. Howard left on Wednesday night's train for the Pacific coast where they will spend a month holidaying.

According to the last Alberta Gazette Wm. Henderson, Sr., of this town, has again been appointed an issuer of marriage licenses.

Dr. E. W. Brown was on a business trip to Saskatoon and other points in Saskatchewan this week. While away Dr. Smyth of Medicine Hat looked after his practice.

L. M. Mansfield threshed last Monday and reports an exceptionally good yield for this year. His wheat crop averaged 20 bushels to the acre.

In this week's issue the minister of justice has an advertisement thoroughly explaining the military service act. We would advise all to read it over carefully.

It is the intention of the Presnell Brick plant here to open up in full force again just as soon as they can get the necessary men to carry on the work. It is hoped this will be possible as soon as threshing operations are completed.

An enthusiastic committee is now at work making preparations for a concert and dance to be given in Reid's hall on Tuesday, Oct. 23rd, under the auspices of the Altar Society of the Catholic church. Make no other engagement for that date.

H. W. Pepper, one of the employees of the Canadian Foundry & Machine plant here, has purchased a half section of land about 12 miles west of town. Already he has an outfit on the land breaking it up and getting it in shape for a crop next year.

W. Higgins, manager of the Amuse-U theatre, has made arrangements to have the famous Goldway feature pictures shown at his theatre here twice a month in future. As these are the best and most expensive series of films on the road the price to them will be 25c. He expects to be able to show the first series in a few weeks.

Word has been received from the Chateaux company stating that the dates when they will appear here for a three days stand will be Nov. 21st, 22nd and 23rd. This is a long way ahead but we mention it now so that no dates will be set by other organizations to conflict with these. This will be one of the biggest entertainments that ever visited Redcliff.

We have to thank L. M. Mansfield for providing us with at least one good square meal this week. Yesterday he sent us a fine sample of his potato crop this year. The donation was only one potato but it is a beauty and weight two pounds even. Out of a bushel just dug as they came, six were taken and they tipped the scales at ten pounds. These are the best sample of potatoes we have seen this year.

Men's work shirts, gloves and underwear. Gibson & Tupper. ***

W. J. Fairbairn was a business visitor at Carmichael for a few days this week.

FOR SALE—about 12 hens and chickens, all in good condition; price 80c each. Apply Geo. W. Barclay, sec. 17-14-5.

At its last meeting the Medicine Hat city council decided not to give soldiers' dependents free water and gas.

The Golden West hotel at Irvine was burned to the ground last Monday morning. The building and contents were a total loss.

As next Monday will be Thanksgiving day and a Dominion holiday all the stores in town will be closed for the day.

Gentlemen, have your suit or overcoat made to your measure. Call and see the new fall and winter samples. Gibson & Tupper.

The film "Joan the Woman" attracted a large audience to the Amuse-U last Thursday and all were delighted with the show.

Very little business of importance came before the school board meeting last Tuesday. It was reported that no teacher had as yet been secured for the new room to be opened up.

Mr. and Mrs. Geo. Barclay, of the Box Springs district, intend leaving next week for Iowa, where they will spend the winter visiting their daughter.

C. Clark, former C. P. R. station agent here, with Mrs. Clark and family, spent a few days in town this week on their way to Webb, where Mr. Clark is now stationed.

Hon. R. G. Brett, lieutenant-governor of Alberta, is making a special appeal to the people of this province for more liberal assistance to the Red Cross societies.

Jacobson & Hughes, who have been conducting a pool room and cigar store opposite the Redcliff hotel, are moving this week to the "Wheeler" block on Broadway. They will be doing business in the new stand tomorrow.

The Southeastern Alberta Teachers' association will hold a convention in Medicine Hat on Oct. 25th and 26th. An interesting program is being prepared and all who can are requested to attend.

The Hicks Trading Company intend moving their goods furniture store from the present quarters to the Wheeler block on Broadway. Moving operations commence the beginning of next week.

The win-the-war association was formed at Red Deer and was attended by Liberals and Conservatives alike. It is the intention of the association to invite Dr. Michael Clark to be their candidate in the forthcoming Dominion election. If he accepts his election is almost sure.

Rev. H. C. B. Gibson, of St. Ambrose church, and Miss Gibson, left last Tuesday evening for the Pacific coast where they will spend three months. Mr. Gibson has not been enjoying the best of health lately and is taking this holiday in the hope of regaining his old time strength. During his absence Rev. Charles of Gull Lake, will conduct the services at St. Ambrose. Mrs. Wright and her sister, Miss Chipman, arrived here Monday with Mr. Wright and will occupy the vicarage during the absence of Mr. and Miss Gibson.

Blankets! Blankets! Blankets! Gibson & Tupper. ***

STRAVED—Walt bound; color, grey with a yellow ting; answers in name of Rover. Finder please notify Review office.

Rev. E. Crumlie, of Moose Jay is spending a few days this week visiting his sister, Mrs. J. Haslam, west of town.

Beginning with Sunday evening, Oct. 7th, the Church of the Brethren will hold evening services each Sunday at 7:30.

Hon. W. J. Hanna, food controller, will determine the basis for controlling the prices of flour and the oil (butter and maddings) for Canada on Friday.

British Columbia joined the ranks of the dry provinces last Saturday night. An even 700 licensed saloons went out of business by this act. Canada is now dry from the Ottawa river to the Pacific ocean.

The Old Fellows have bills out announcing a dance in Reid's hall on Thanksgiving night. O'Fallon's orchestra will provide the music and refreshments will be served. All are invited to attend this dance.

M. Belantyne, of Webb, Sask., has been transferred to Redcliff as permanent C. P. R. agent at this point. Mr. and Mrs. Belantyne arrived Tuesday and are now taking up their residence in the studio building.
